### **Disclaimer**

Your use and review of this information constitutes acceptance of the following terms and conditions:

The information contained in the notes intended as an educational aid only. It is not intended as medical advice for individual conditions or treatment. It is not a substitute for a medical exam, nor does it replace the need for services provided by medical professionals. Talk to your doctor or pharmacist before taking any prescription or over the counter drugs (including any herbal medicines or supplements) or following any treatment or regimen. Only your doctor or pharmacist can provide you with advice on what is safe and effective for you. Pharmacy prep make no representation or warranty as to the accuracy, reliability, timeliness, usefulness or completeness of any of the information contained in the products. Additionally, *Pharmacy prep* does not assume any responsibility or risk for your use of the pharmacy preparation manuals or review classes.

In our teaching strategies, we utilize lecture-discussion, small group discussion, demonstrations, audiovisuals, case studies, written projects, role play, gaming techniques, study guides, selected reading assignments, computer assisted instruction (CAI), and interactive video discs (IVD).

Our preparation classes and books are not intended as substitute for the advise of NABPLEX®. Every effort has been made to ensure that the information provided herein is not directly or indirectly obtained from PEBC® previous exams or copyright material. These references are not intended to serve as content of exam nor should it be assumed that they are the source of previous examination questions.
